

PLYMOUTH REGIONAL HIGH SCHOOL

VISION

Growth: Every person, every day, some way.

CORE VALUES

Plymouth Regional High School's core values encourage a culture of **respect, responsibility, integrity, honesty, and academic excellence**. These core values, embraced by the school community, act as the foundational commitments to students and the Plymouth Regional High School community and enhance the school's mission:

Together we challenge one another to develop and demonstrate the attitudes, skills and knowledge essential to attaining excellence in self, family and community.

BELIEFS

- ❖ We believe students learn best in a healthy and safe environment connected with caring adults who are respectful role models.
- ❖ We believe that students learn best when challenged with clear, high expectations and shown samples of quality work.
- ❖ We believe students learn best when encouraged to use independent thought within a culture of collaboration.
- ❖ We believe that students learn best when instruction is engaging, relevant and applicable to the real world.
- ❖ We believe that students learn best when assessments are challenging, varied, encourage risk-taking, and accurately demonstrate what students know and are able to do.
- ❖ We believe that students must have an understanding of the world beyond our community, state, and country in order to participate effectively in a global society.

21ST CENTURY SCHOOL-WIDE LEARNING EXPECTATIONS

Academic Expectations

- Students will communicate effectively
- Students will use critical thinking and problem solving
- Students will use technology and higher order thinking to effectively research, acquire, analyze and evaluate information

Social Expectations

- Students will work collaboratively with others
- Students will work responsibly and independently

Civic Expectations

- Students will participate actively and effectively in civic life as informed citizens of the world
